- Engagement
- Better public services
- Accountability and transparency
- Commitment
- Changing the way we do things...

“Local government is the **junction box for local services**, whether they are delivered by local government, by national agencies, or by local voluntary and private sectors. Local government has a unique democratic mandate to map the needs of an area, understand what constitutes best practice, and then coordinate its delivery”

Minister for Communities and Local Government, **David Miliband**

Belfast: State of the City initiative

A Council-initiated process to engage in **strategic development** across the city:

- **Research-based** approach
- Making Belfast competitive
- The city as the **driver of the region**
- Working with **all development organisations**
